Verse of the week

I praise you because I am fearfully and wonderfully made; I know that full well.
Psalm 139:14

God has shown his amazing creativity in making the world. He made sunflowers 🌻 mountains ⛰️ rainbows 🌈 snow ❄️ pineapples 🍍 penguins 🐧 and so much more.

Draw your favourite part of God's creation.

God has created amazing things and one of the most amazing things is you!

Let's pray: God thank you that you have made so many creative things. Thanks for making me. Thanks that I have hands that can make things, feet that can go places, a brain that can learn and a voice to tell the world about how great you are. Amen.
