Verse of the week

The Lord has told you what is good. He has told you what he wants from you: Do what is right to other people. Love being kind to others. And live humbly, trusting your God.
Micah 6:8

What's a new school rule you would invent?

There are rules at school, rules at home, rules for driving a car and rules for playing netball.

God doesn't have a big, long list of rules. Here's what God wants from us.

- ☑ To do what's right
- ☑ To show kindness to others
- ☑ To love God and follow him each day

Let's pray: God thank you for loving me so much, help me to love and follow you in return. Help me to do what's right and to show kindness to others. Amen.
